

Confirmation of REACH Compliance

Strobel Quarzsand GmbH hereby confirms that its products,

Quartz sands of different grades,

are not subject to the registration requirement according to the REACH Regulation (EC - No 1907/2006).

According to Art. 2 para. 7b in connection with the Annex V, paragraph 7, natural substances are explicitly exempted from the registration requirement, unless they have been chemically modified. Quartz sand is a natural product and is not chemically modified in our processing plant.
